

European Federation of Corrosion EFC WP16 "Cathodic Protection" 17th meeting

**Eurocorr'2011, Stockholm, Sweden
Tuesday, September 6th, 2011, from 10.00 to 12.50
Stockholm International Fairs**

Dear Colleague,

This is the formal invitation to participate to the **17th meeting of EFC WP16** which will be held on **Tuesday 6th, September 2011**, within the frame of **Eurocorr'2011 in Stockholm, Sweden**. The meeting place is located in **Stockholmsmässan (Stockholm International Fairs)**, Mässvägen 1, Älvsjö, 125 80 Stockholm. The meeting will start at **10.00** and end at **12.50**. **PLEASE CONFIRM YOUR ATTENDANCE OR APOLOGY AS SOON AS POSSIBLE.**

The proposed agenda is:

1. **Welcome, apologies, attendance list. Presentation of Deputy Chairman Jérôme Crouzillac.**
2. **EFC WP16 business: Work programme for 2011 – 2014, Website (including use of “restricted area”).**
3. **Approval of the minutes of the 16th meeting in Moscow, Russia (Eurocorr'2010) on September 14th, 2010 (for loading on EFC Web site).**
4. **Status on implementation of EN 15257 on "Qualification and Certification of Cathodic Protection Personnel". Discussion on co-operations between European countries and between EFC WP16 and CEOCOR Commission 2 (including for a project of “Handbook for training and certification”).**
5. **Exchange of information on the progress of Certification for CP outside Europe. Possible project on ISO standard (ISO TC156 WG10).**
6. **Information on the progress of EFC WP13 “Oil & Gas” for preparing a document on “Corrosion Management of Pipelines”.**
7. **Discussion on project of EFC Publication on the “State of the Art Report for the assessment of CP of buried pipelines” (possible co-operation with CEOCOR Commission 2).**
8. **Status on the project of an EFC Publication on the “Best of” of the papers published at the Eurocorr's on CP.**
9. **Other technical topics and free discussion.**
10. **Next meeting (during Eurocorr'2012 in Istanbul, 9 – 13 Sept., 2012).**

For information and reservation of hotel accommodation in Stockholm please visit the EUROCORR'2011 homepage (<http://www.eurocorr.org/EUROCORR+2011.html>) which you may use also for information on the detailed scientific programme (to be installed very soon) and for registration.

Please note the programme of **technical sessions** organised at Eurocorr'2011 dealing with Cathodic Protection. A "Cathodic Protection" session is scheduled, after the EFC WP16 business meeting, on Tuesday 6 from 14:00 to 17:10 and a "Marine and Offshore Cathodic Protection" session is scheduled on Wednesday 7 from 10:00 to 12:10. They comprise 13 oral papers.

Thank you in advance for your active participation. Any contribution will be appreciated. **It would be highly appreciated to receive all available information dealing with the progress of Certification in your country.**

Best regards and see you soon in Stockholm!

Marcel Roche

EFC WP16 Chairman
